

HONORING OUR FOUNDER

We are honored to establish the
Santa Ynez Valley Polo Classic Joel Baker Founder's Award

Joel Baker, a renowned professional polo player and former coach of the U.S. polo team and polo player coordinator, has supported People Helping People's mission for over two decades. Eleven years ago he cast a vision to bring-world class polo to the Santa Ynez Valley and founded the Santa Ynez Valley Polo Classic. The Classic's mission is to raise much-needed funds for People Helping People's programs, which are dedicated to improving the lives of adults and children in the Santa Ynez Valley and Los Alamos by addressing emergency and basic needs.
